TURF WARS!

And whatever you do, in word or deed, do everything in the name of the Lord Jesus, giving thanks to God the Father through Him. Colossians 3:17

The big news in nearby Carrollton is the high school stadium is getting artificial turf in time for this year's football season. Crowds gather daily to cheer on the grounds crews as they complete their work in time for the first home game.

Dover experienced the same excitement last year when artificial turf was rolled out in the Brickhouse. Constant picture updates appeared on Facebook as the project progressed from a few green patches to a beautifully finished field.

My alma mater Louisville has had artificial turf since it built its stunning new stadium in 2010. It truly is a sight to behold. From entry to press box to goalposts, it is a gridiron gem.

The reserved seats are splendid and get better every year. Initially, they were simple blue seats with backs. No benches or bleachers in this section. Each person had their own space without fear of encroachment from a neighboring derriere. Still, there was room for improvement.

The next year, the seats were comfortably padded and could recline. Of course, tickets prices increased to pay for the welcome adjustment. A few years later, the seats were heated to keep ardent fans warm during cold, inclement weather. And again, seating prices went up, but it was well worth it.

This year, prices have gone up again. Now the seats not only recline and warm up, they also come with adjustable massage options. Plus, with the required wiring, it was decided to extend a texting capacity to the right armrest so fans can order their food and beverages from the concession stand (\$10 minimum) and have it delivered by a friendly member of the Leopard Booster Club.

The new stadium and all its improvements have been achieved with nary a taxpayer dollar. It's all been paid for by fans, citizens and local business. It helps to have Biery Cheese and Chesapeake Oil making major contributions. (What a combination—cheese & gas!)

Of course, what's most important is what's happening on the field. If your team is not doing well, no seat is comfortable. If there is a display of unsportsmanlike conduct, uneasy squirming is likely no matter where you sit.

On the other hand, if your team is doing well and on its way to victory, even a warping aluminum bench offers contentment. Fair and honorable gamesmanship warms the heart and soul on even the coldest October night.

As we enter this fall sports season, we pray players, officials, band members and fans alike will be ambassadors of goodwill to all. May everything said and done be pleasing to God and glorify Him. This can be a challenge, especially when a contest becomes heated, but it is well worth remembering and putting into practice. You can think of it as your own version of strength-conditioning, with our strength coming from the Lord.

By the way, I hear Louisville is going to install a retractable dome over its stadium next year or soon thereafter. I wonder how much those blue seats will cost then?

What is the right way to dispose of an old, worn out or damaged Bible?

There is no "biblical" way to dispose of a damaged or ruined Bible, as the Bible itself does not address this question. It is, therefore, a matter of personal conviction. It is important to understand that it is not the paper, binding, and ink that are "sacred" or "holy." It is the Word of God that is holy and a means of grace, not the material it is printed on.

Some people feel that an old Bible should be buried or ceremonially burned (like a US flag). If you feel that is respectful and important, this would be an appropriate and honorable thing to do. Just don't do it as a spectacle, but with quiet reverence.

Another excellent option is to recycle the Bible. I recently discovered a little prayer that can accompany such a ritual. "O Lord of Knowledge and Truth, these pages once read, now yellowing and brittle, are returned for renewal. May they make new paper on which truth, beauty and joy may be found. In Jesus' name, we pray. Amen.

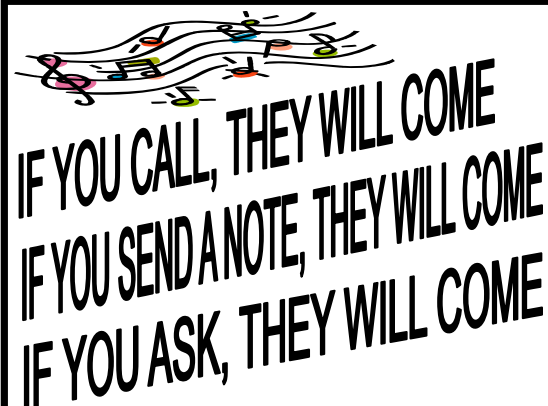

CELEBRATION 2014

Our 2014 **Rally Day** and **Church Picnic** will be celebrated Sunday, September 14.

Rally Day will be celebrated during the 9:15 Sunday School hour in Fellowship Hall. Continental breakfast foods and beverages will be available. Children and youth will be promoted, introduced to their teachers and the 2014-2015 curriculum. Children advancing to the first grade and third grade will receive age-appropriate Bibles. Youth beginning Confirmation classes will be given a copy of Luther's Small Catechism. Christian Faith and Life Ministries is coordinating this event.

Our **Annual Church Picnic** will be held outdoors in the parking area behind the Grace Outreach Center. The event will include a 70-foot obstacle course for the kids and other activities. The centerpiece of the picnic will be our homemade covered dishes. Each family is asked to bring a family favorite covered dish and/or dessert to share. Beverages and tableware will be provided. Hospitality Ministries is planning a delicious and fun-filled time for all.

Mark your calendars now and plan to join the day's festivities.

Whatever you have received over the years, it is still valid.

Circle your calendar and plan to attend the first Gallery Choir rehearsal of the season, Thursday, September 4th, 2014 at 7 pm in the choir room. Arrive early enough to gather your music and be ready to begin at 7 pm.

Following the Thursday, September 4th rehearsal for upcoming SUNDAYS, members will adjourn for SUNDAES, mingle with new members and discuss the summer.

Think about spending a month of Sundays, two months of Sundays, a season or a year with the Gallery Choir.

The Ten Commandments:

Truth about God and Truth about Ourselves

Are the Ten Commandments relative or relevant? What do these ancient Hebrew rules have to do with modern society. How do they speak to us and guidance in the 21st Century?

The Ten Commandments are among the first things we learn in Sunday School and are an initial part of our Confirmation studies and Luther's Small Catechism. They provide our centering and foundational understanding of God's law. These faithful rules for living help us know the truth about God and the truth about ourselves. Most importantly, the law leads us and opens us to God's saving Gospel in Jesus Christ.

Come join us for an insightful examination and lively discussion of these sacred and time-honored principles. Session will be held on October Wednesday at 6:45 p.m. in Luther Hall. We'll have refreshments, too.

- October 1: Honoring God (Commandments 1&2)
- October 8: Honoring God's Creation (Commandments 3&5)
- October 15: Honoring Authority and Family (Commandments 4&6)
- October 22: Honoring Truth and Integrity (Commandment 8)
- October 29: Honor Our Neighbors (Commandments 7, 9 & 10)

THE TEN COMMANDMENTS

Thank You

Dear Pastor Rice, the Hammerstrom Scholarship Committee, and the Grace Lutheran Church Community,

I am planning on starting the last semester of Family Nurse Practitioner program at Ursuline College, and I couldn't have done it without your support and encouragement. Thank you so much for the support and blessings in pursuing my educational endeavors in becoming a Nurse Practitioner. I have grown up and been a part of the Grace Lutheran Community for many years and I want to thank everyone who has played a part in leading me to have a relationship with God. I am so appreciative. God has blessed me with being a registered nurse, and I have thoroughly enjoyed helping take care of His people. This summer I had the opportunity to work at a Diabetic camp for kids called Camp Ho Mita Koda which I attended when I was first diagnosed with Diabetes. It was a great experience and I am looking forward to being an intricate part of this program in the future. To everything there is a season, and a time to every purpose under the heaven. Ecclesiastes 3:1. I am excited to continue my journey in becoming a Family Nurse Practitioner and Educator, and making my Savior, Family, and Community I have grown up in proud.
Natalie Miller

I just wanted to give a giant "Thank You" to the Hammerstrom Scholarship Committee and the Church! I am so blessed to be apart of a church that has a scholarship that makes college affordable for us to learn what we need to know for our dream careers! I cannot wait to see what this last year of Undergraduate Classes has in store for me in Nursing School!
Thanks Again, With Lots of Love,
Jaclyn Sergent

Dear Hammerstrom Scholarship Committee,
I can't say enough how grateful I am to be a recipient of a Hammerstrom Scholarship. It will be a huge help in paying for tuition & books! I am especially grateful to the late Phil & Marceil Hammerstrom for their generosity & forethought in establishing this scholarship for our congregation.
John Wolfe

Dear Ladies,

Thank you so much for the school supply kits for my children. Our family is finally getting back on our feet and words cannot express how grateful we are. God has led wonderful folks like you into our lives as proof he will provide for his people.

Thank you!

The Barkheimer Family

I would like to express my sincere thanks to Rhonda Fisher, Deborah Horn, Shirley Grafe, Carol Betche and Dorothy Morrison for covering the church office while I was on vacation.

Your help was very much appreciated.

Lisa Morris, Church Secretary

I would like to thank Pastor Rice for all his visits and talks. They really brighten my days!

Also I enjoy the CDs of the service and Pastor Rice's sermons. Thank you to Bobbie Myers for being so kind to bring each week's new CD. It really is special to be able to listen to the service when you are unable to attend Church on Sunday morning! I miss seeing all of you!

Blessings to All!

Norma Grywalski

On Saturday August 16, the youth were at it again, they were at the church cleaning inside and out. The walls were washed in the Fellowship Hall, Luther Hall, back entry way and side entry way. The guys were outside moving gravel and cleaning out the window wells. We had a great turn out and a lot was accomplished! Those who helped out were Claire Bauer, Madeline Bauer, Grace Castricone, Lindsey Jerles, Shauna Cox, Stephanie Wott, Cody Herman, Cody Jerles, Anthony Miceli, Larry Wallick, and Bobbie Cox. September 1-September 8.**

During some of that time, he plans to venture to historical Blennerhassett Island in the Ohio River. Pastor Rice has a fascination with hero/scoundrel Aaron Burr and will visit the mid-river plantation where he stayed before heading towards his western adventures. Other Ohio historical sites and Fenton Glassworks are nearby, too. Polo will be at the "doggie spa" at Oakshadows Kennel, Plus.

Rev. Lisa Arledge will preside and preach at both worship services on September 7. Pastor Arledge is Director of Oasis Opportunities Outreach in Akron. Oasis works with Akron innercity youth to help them become "dependent on God and independent in the world." The Grace Lutheran Endowment Fund has gladly supported this ministry is the past.

Hammerstrom Scholarship Essays

Jana Keller's Hammerstrom Scholarship Essay -

The vocation of a nurse practitioner is a field that blends the caring and compassion that goes hand in hand with nursing, along with the knowledge to go beyond; involving further assessment, diagnosis, and treatment. As a nurse, I have the unique experience of being there for a complete stranger at their most pivotal moments. It is with caring and compassion that I have laughed, cried, and prayed with patients and their families on many different times in my career. Time and time again, I am spiritually aware of God while I am at work. Not a lot of professions have this unique opportunity to help others and serve God through a chosen career path.

Being a nurse for five years in a large inner city teaching institution has given me the drive to continue my education as a nurse practitioner. In my personal life I am passionate about diet, exercise, and spiritual and personal wellbeing. I would like to use my advanced degree to apply this to my career and continue to serve God in the best way that I know how, which is helping others. As a health professional, it is my goal to teach patients about health maintenance and disease prevention in a primary care setting. I am extremely excited to start this next phase of my professional development. As I continue to work throughout school, this scholarship would be extremely beneficial to my educational and personal goals. I appreciate your careful consideration.

Erika Homrighausen's Hammerstrom Scholarship Essay -

My educational goals are to receive my RN certification in 2015, and then receive my Bachelor's degree in the science of nursing in 2017. Once I receive my RN certification next year I plan to work while obtaining my Bachelor's degree. One of my goals for my future in the medical field is to always be an advocate for all of my patients. So far in my educational career I have experienced, through clinical visits, that many patients that need an advocate because they may not have sufficient support from their family or their community. I believe that as a healthcare professional part of my job will be to care for not only the physical health of all patients, but their mental and social well-being. I feel that it takes a certain kind of person to work in the medical field, that person needs to be patient, caring, thoughtful, selfless, attentive, and need to be able to think critically. These people also need to have a special place in their heart for the patients they care for. I believe that God has a lot to do with helping these people find their calling in the medical field. I feel that nursing is not a career that should not be forced, it should be a true calling, and shouldn't be done for personal gain, or for selfish reasons. Even though I am looking forward to my success in the medical field, I also look forward to serving God and my community by caring for and helping other people.

GROCERY BAG MINISTRY

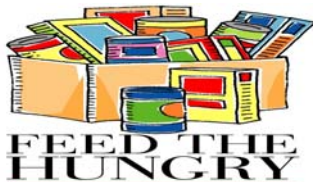

Thanks to all who have volunteered to be packers for the Grocery Bag Ministry this year.

Donations to the Food Pantry have increased in response to a greater need for our food bags. In July, we distributed 124 bags, and have already distributed 120 in August. We are seeing a greater demand for this outreach program. Monetary and food donations are very much appreciated.

What goes into a bag to feed the hungry? The basic food items are: peanut butter, canned meat, vegetables, fruit, cereal, soup, macaroni & cheese, canned white potatoes, spaghetti sauce and spaghetti noodles. We also pack a roll of toilet paper and a bar of soap when available.

We welcome all packaged/canned donations. We will pack any kind of soup, fruit, vegetable, soap or toilet paper that is donated, as well as extra items not on the list. Grocery size paper bags are also needed.

Thank you to all who bring food in for the grocery bags that are filled each month. Look in the Sunday bulletins to see which items are most urgently needed.

Please be Praying for...

OUTREACH NEWS... HERE'S YOUR CHANCE TO BE A BLESSING TO OTHERS

We at Grace have volunteered to provide one meal per month — **the 4th Sunday of each month** — and need volunteers to provide the meal and to deliver it to the *Friends of the Homeless of Tuscarawas County* which is a group of

concerned citizens from various churches and social service agencies in the county who have recognized the need to assist persons experiencing homelessness. The residents eat dinner at 6:00 each evening. All tableware is provided by the shelter, and they ask that if we are just dropping the food off to bring it in disposable pans.

If you are unable to deliver your portion of the meal, please contact someone else who has signed up to deliver food.

Let's continue to work together as the body of Christ and serve our brothers and sisters in need.

New sign up sheets are posted for the September meal to the homeless shelter. Please sign up on the bulletin board in the narthex.

PERSONAL CARE KITS

The power of a small package

Personal Care Kits especially help cleanliness and prevent disease outbreaks that can so frequently happen in foreign countries or right here in the United States after natural disasters. LUTHERAN WORLD RELIEF is asking congregation participation to help restock their supply of personal care kits. Consider making a kit or dropping off one or more of the items listed below to the church office. Thanks for helping!

Personal care items that go into each kit are:

Personal Care Kits

- 1 light weight bath towel (dark color)
- 2 bath size bars of soap
- 1 wide tooth comb
- 1 adult size toothbrush
- 1 nail clipper with file

Thank you to the volunteers who will prepare and deliver food for the **Homeless Shelter on September 28th.**

October's dinner at the Homeless Shelter is on Sunday, October 26th. at 6:00 pm. The sign-up sheet is posted in the Narthex. We have cut down on the expense of the items needed (less meat, more casseroles) or have divided the donations into smaller units to make it financially easier for you to donate. Please check to see how you can help.

Replenishing the Children's Worship Bags

Our worship bag continues to be a blessing to children and parents in our worship each week! Most of the 10 bags are used every Sunday. The bags serve as a way for parents to have their young children in worship with them while they get a chance to worship. We will be purchasing new books, toys and crayons for the bags soon. If you would be interested in providing money for the purchase of these items you may make a donation by placing it in a special offering envelope with worship bags written on it. If paying by check please remember to write Children's Worship Bags in the memo line. Thank you for continuing to support this ministry.
