Transforming Lives Transforming Church

When was the last time you met someone that didn't feel they were too busy? When was the last time you didn't feel overtired? When was the last time your whole family was together for more than a ten-minute conversation? When was the last time you had a real conversation with your neighbors about something other than the weather or the price of gas? When was the last time you prayed for your brothers and sisters in Christ at Grace by name simply because they are part of your church family? When was the last time something that was said on Sunday morning made a tangible difference in the way you live your life on Tuesday? When was the last time the church was more than a building you show up in once a week or once or twice a month? When was the last time you made a commitment to change your life because you knew God wanted you to make the change?

If you can't remember the last time several of these things happened, then perhaps it is time we did a few things differently with our time as a faith community. Our church has tons of opportunities for you to be involved in service, Bible study, worship, music, fellowship events, and the list goes on and on. Still there is a point at which we all have to say, I can only do so much, I can only retain so many messages, I can only... It's not that the things we are doing are not great, they simply are not connected and somewhere along the way we all tend to get lost in the barrage of messages, so that finally we end up with very little practical difference in our daily lives. I for one would like to begin to change that trend. I believe that God's desire for us as a church family is that we would learn to love him, love one another, and serve our neighbors. Sounds pretty simple, doesn't it? Of course, there's about a billion ways to do that. So, rather than take on the billion, perhaps we could simply commit together to one simple step that would help us transform lives as together we transform church.

That is the premise behind a new initiative you will be hearing a lot about in the weeks and months to come called LifeGroups. Do not misunderstand me, this is not another program. This is not going to be another event that you can choose to attend or not attend. LifeGroups are the church, living and moving in your neighborhood supporting you in prayer, helping you to live out the message of the Gospel, and connecting you deeply with other brothers and sisters in Christ through fellowship. I hope that within two years every person that attends Grace will be connected to a LifeGroup that meets within their neighborhood every month and helps every person in our church family learn to love God, love one another, and serve their neighbor in simple but life-changing ways.

As a first step, I invite everyone to fill out the simple form on page 3 of this newsletter so that we can begin to identify neighborhoods, discern needs, and discover potential leaders.

Peace and prayers,

Pastor Jim

NEW MOMS MINISTRY STARTING UP – HOW YOU CAN HELP!

When a new baby is born into a home, there is always so much joy and excitement – but there is also so much work! There are diapers to change, bottles to make, crying to comfort, and many sleepless nights, not to mention recovery time for the new mom. Most moms and dads welcome the help that comes from family and friends.

That is what the NEW MOMS MINISTRY is all about. As a church family, we can offer a little help to the new moms at Grace. This ministry has three parts. First, when the birth of a new baby is announced, we can all begin praying for the baby and family. Nothing is more powerful than prayer. Second, as you go through your newspaper coupons every week, cut out the diaper and other baby product coupons, bring them to church, and put them in the box marked COUPONS FOR MOMS MINISTRY. They will be given to the new moms at Grace. Finally, we would like to begin providing frozen meals for new moms. When a new mom calls the church office to let us know their baby has been born, we would like to be able to provide 5 ready made meals for her family. These meals can be a simple casserole that can be delivered, heated up and served. If you are willing to be put on a list and called on once or twice a year to provide a meal for a new mom and her family, call the church office.

As we continue to look for new ways to serve each other in the name of Christ, we hope you prayerfully consider being a part of this new ministry. If you have any questions, please call Dana Lewis at 330-343-3257.

EVANGELISM BOARD

MOSER FAMILY MISSION

We as a church family will be supporting Steve & Tina Moser & Family in the mission field. Steve's parents are Al and Frances Moser, life-long members of our congregation. May we pray for this family as they do God's work, but they need our support in providing them with financial assistance. Our goal as a church family is to send to them \$200 each month as they serve the Lord in the mission field. We have reached our goal for February for the Moser Family Mission of \$218.00. Envelopes are in the pews now marked with a red cross on the corner so that they will be easily seen in the pew.

May we continue to bring in our food items each Sunday. **If every family attending church would bring 1 or 2 items weekly, the pantry would be overflowing.** May God's blessing be with each and everyone of you.

A Great Big Thanks to all of you

A Great Big Thanks to all of you who signed up to prepare food for the Homeless Shelter and the Wednesday Free Lunch and for the food that is received to pack grocery bags. The people who receive these cooked meals and grocery bags are truly thankful. Thank you to those who took supper to the homeless shelter on Easter Sunday. It was greatly appreciated by all who ate at the shelter. Without your support in providing food for these programs, our outreach ministry could cease to function. Please prayerfully consider signing up ahead of time before it is necessary to pass the clipboards in the pews. The sign-up sheets are on the bulletin board in the Narthex. May God continue to Bless us as we reach out to others.

GROCERY BAG MINISTRY

Looking for a way to become a servant of the Lord? We are still in need for you to volunteer to pack grocery bags for those in need.

Thank you to the following volunteers who will help serve our free lunch on **Wednesday, April 16th**:

Liz Nelson (Leader), Chris Sergent, Norma Grywalski, Reba Snyder, Ruth Halter, Elaine Margo

We are in need for at least six more people to volunteer to help with this outreach. Please

sign the clipboard on the Narthex table with your name and phone number. You will be contacted when a meeting of volunteers is scheduled.

FOOD PANTRY Thank you to all who bring food in for the grocery bags that are filled each month. We are seeing a great increase in the number of people benefiting from this ministry.

What goes into a bag to feed the hungry? The food items are peanut butter, canned meat, vegetables, fruit, cereal, soup, macaroni & cheese, spaghetti sauce and spaghetti. **We are in great need of peanut butter, meat, cereal, pancake mix, pancake syrup, oatmeal, and fruit.**

Volunteers for the Free Lunch should deliver their food donations to the church to the Luther Hall kitchen on **Tuesday, April 15th**.

**EVANGELISM NEWS...
HERE'S YOUR CHANCE
TO BE A BLESSING TO
OTHERS**

We at Grace have volunteered to provide one meal per month — the 4th Sunday of each month

— and need volunteers to provide the meal and to deliver it to the *Friends of the Homeless of Tuscarawas County* which is a group of concerned citizens from various churches and social service agencies in the county who have recognized the need to assist persons experiencing homelessness. The residents eat dinner at 6:00 each evening. All tableware is provided by the shelter, and they ask that if we are just dropping the food off to bring it in disposable pans.

If you, your family or your group or board would like to participate, please call **Jen McCulloch at 330-364-5426** for more information. Also, there is an opportunity for anyone interested in leading a Bible study at the shelter.

If you are unable to deliver your portion of the meal, please contact someone else who has signed up to deliver food.

Let's continue to work together as the body of Christ and serve those of our brothers and sisters in need.

Thank you to the following volunteers who will prepare and deliver a meal of ham loaf, scalloped potatoes, baked beans, dinner rolls, soft butter, tossed salad, salad dressings, coffee, milk and dessert on Sunday, April 27th:

YOUNG PEOPLES' MINISTRY

The Pop Machine Belongs to Us

There has been a pop machine at the west entrance to Youth Hall for a long time now. It had been serviced and stocked by Pepsi. Pepsi recently contacted us and informed us that due to the low volume of sales from the machine they would soon be removing it from our church. However, instead of losing the machine, we were able to purchase the machine for our own use for a cost of \$100.

We will be stocking the machine with pop ourselves now and the proceeds from the sale of each can will go towards youth activities. Please support the youth and purchase a pop here at the church. And don't forget to recycle your cans.

Spring Lock-In

May 2

Call your friends and tell them they simply have to join us for our next youth lock-in. This is going to be great and you will not want to miss out.

May 2-3 8:00 PM - 8:00 AM

This lock-in will begin with a treasure hunting challenge that will take you all around town searching for clues, uncovering more and more of the story with each new turn, and in the end bringing you to the greatest treasure you will ever know. Gather a team of your own (4-6 people per team) or sign up today to join a team at the lock in. You can sign up online, in youth hall, or turn in the postcard arriving soon to the church office. **Everyone must be registered by April 20** so that transportation and supplies for this special event can be available for everyone. Cost is \$5 per person.

Adirondack Mountains Mission Trip

Things are coming together for the mission trip this summer. 10 youth and 3 adults will be traveling with us to spread the love of Christ through home repair, kids club, and building relationships with the people of the Adirondack mountains. Throughout the upcoming weeks, we will have some of the youth going on the trip available in the narthex after the 8 AM service and before the 10:30 service to help you get connected to the trip with some prayer pointers and partner with a youth going on the trip by becoming a Youth Missions Investor. You can become a YMI for \$25 and in so doing will be paired up with one of the participating youth to receive updates about our preparations, a postcard from him/her during the trip, and a great meal with lots of pictures, stories, songs, etc. after we return from the trip.

Youth participating in the trip should plan to attend the next meeting in the Outreach center at 5:30 PM on April 13th. We will be discussing our trip accommodations and possible car wash dates.

It was held indoors due to the weather. The children had fun searching for eggs in the classrooms and around Luther Hall. Camp costs range from \$300 to \$400 per child for a week of camp. Families pay \$50 to \$100 per child depending on the cost of the camp they attend. With the funds raised, the board will be able to help 2-3 children have a wonderful Christian camp experience.

*Saturday helpers also included Jim Heller. Thank you to Adrian Mathias for table setup.

STEVE & TINA MOSER & FAMILY IN THE MISSION FIELD

THE MOSER FAMILY

News from Argentina

**TIME FOR CLASS***Week of March 9, 2008*

I know it's still winter in the States, and those of you in Ohio just had a really big snow-storm, but here in Argentina summer is ending, and its "back to school" time. Actually, the Moser family only had one month off while we were down in the south. The public schools finished in December, their summer break is done and the new school year has begun.

We did have a change of teachers, though. Our first teacher, Esteban, was married in December, and he and his bride are now in the States. Laura is our new teacher (red shirt in the center). She is an awesome teacher! We are currently with her from 4 to 6 each afternoon. The time will probably change again when the Bible Institute classes begin in a few weeks.

Stuart and Kearstin are still working very hard at their home schooling. The DVD curriculum has been a real blessing. Tina and I are still very involved in the studying and testing, but we are freed up from most of the teaching. They have been great about doing all their schooling and the Spanish classes, and helping out in other areas, like summer camps.

Continue to pray for the kids and us as we work on the language, and the differences in culture and customs. At times we think we are doing pretty good, and other days... well... some days are pretty tough. But God is ever faithful, and we are learning He is totally sufficient. We would love to hear from you when you have the time. stevemoser@wol.org

There is a Christian school on the campus of *Word of Life* here in Monte. They, too, began classes this week. It is actually two schools in one. In the morning they teach all the subjects in English, and in the afternoon, Spanish. The students who are in both programs are in classes from 8 am until 6 pm. Most of the teachers in the English school are from the States. But they never seem to have enough teachers. So, if any of you teachers are thinking about a change, how about Argentina? Some of the teachers have already "retired" from teaching in the States, and are enjoying their "retirement" down here. Pretty cool!

SOAP COLLECTION

Soap is a luxury for millions of people suffering from drought, civil strife or poverty. Soap is unavailable in many parts of the world. Often in places where it is available, soap is too costly for poor people to buy.

Without soap, maintaining the level of cleanliness necessary to reduce disease and infection is very difficult. The soap we collect can be a life-saving gift to people in dire circumstances.

EASTER SERMON SERIES - TRANSFORMED

Easter is a season of transformation. Indeed the coming of spring transforms the stark, cold, winter landscape into a living field of green grass and colorful blooms. It is as though the earth itself proclaims for all to see that Jesus Christ is risen, He is risen indeed! Death has been swallowed up and new life bursts onto the scene. Christ is alive and the world is now transformed.

The lessons of Easter pick up this transformational theme as we hear of disciples that move from doubt to faith, from sadness and confusion to joy and understanding. We hear further of the promise of the Holy Spirit that comes to us as an advocate, always pointing our wayward souls back to Jesus who goes before us to show us the way to eternal life. And in the middle of it all, we are transformed by the reassurance that Jesus is our Good Shepherd who lays down his life for the sheep (us) so that we might find in His leading abundant life, transformed life. When we experience the transformation of Easter, we are ready to live, to move, to get to work in God's Kingdom as we bring his transforming grace to a world waiting to be set free.

Pack Your Lunch With Grace

You are invited to join Pastor Jim for a weekly time of fellowship and Bible Study. Pack your lunch and meet with friends at Luther Hall where you can eat together, share stories, and then spend a half-hour in Bible study as we look together at one of the lessons for the upcoming week. I hope you will join me for this excellent opportunity to be fed with the Word of God each week.

The group will meet on Thursdays from noon to 1:00 p.m. in Luther Hall.
Bible study will not be held on April 24th.
